INTRODUCING MY BARE LADY

When It happened when a friend of mine brought a girl she worked with down our local. I ended up spending half the night chatting away to Naomi – my mate was chuffed we were getting on so well. I found myself wondering if she had a brother – he'd be just my type.

She must have picked up on my attraction, and I started to get the feeling she fancied me too. Never having been with another woman I wasn't really sure how I felt about this, but a bit of Dutch courage meant I just went with the flow. I said I'd share a cab and wasn't surprised that she made a move on me when we pulled up outside her place.

She had the most gorgeous mouth, and as she touched her lips to mine I felt a tingle go through me. I licked my lips, tasting her vanilla lip gloss, and got another taste seconds before she gave me a proper snog, sliding her tongue into my mouth.

I was shaking, fumbling for my keys as she paid the cabbie, but once we were indoors she took control again, laying me down on the fluffy living room rug.

She knelt over me, straddling my body, and pulled up her tight vest-top and took hold of my hands, placing them on her tits. They were smaller than mine but well firm, and her nipples were so stiff they dug into my palms.

"her mouth was clamped over my clit, sucking as those lush lips of hers pressed tight around it."

She leant forward so I could give her a sucking, then we stripped each other naked.

Her pussy was shaven, but she said she loved my full bush – and how it held the scent of my excited pussy.

Going down on Naomi just came naturally, once she'd moved us into a sixty-nine.

She was on top, her pussy juicing inches above my mouth, and I lapped along her slit a couple of times before she lowered herself down, my tongue sinking deep inside her hole.

Her juices flowed, and there was so much they soaked my face and chin.

I just followed what she was doing to me.

I wet a finger up Naomi's pussy then slid it along her crack, tickling around her arsehole.

She squirmed her bum in pleasure, so I slipped it slowly inside her. As I wriggled it about, her pussy tightened around my tongue, and she came all over my face.

For a while she couldn't move – she just lay with her mouth against my slit, her short hair tickling my inner thighs. Then she started licking me again, digging her tongue inside me down to the root.

That got me to the brink but not quite all the way, so she switched to using her fingers, slipping three inside me. I was so wet, so turned-on, they just slid in right down to the knuckle in one.

Meanwhile her mouth was clamped over my clit, sucking as those lush lips of hers pressed tight around it.

Seconds before I came I felt my hole clamp tight around her fingers, then every muscle in my crotch rippled. I buried my face in between her cheeks, muffling my moans as my orgasm ripped through me.

We staggered up to my bedroom, and as we lay there fingering each other's cum-swollen pussies, Naomi told me I was only the third woman she'd ever slept with – and she got a real thrill when I said she was my first.

I've got a boyfriend now but it doesn't mean I've stopped thinking about her – I fantasise about a threesome with the pair of them all the time!

Jenny, Birmingham.

AMSTER JAM

WheMy partner Felicity and I recently had a few days away in Amsterdam.

On arriving we settled down in our hotel before deciding to do some sightseeing. After a while we came across a sex shop and eagerly went inside.

We decided to buy a 14-inch double dong.

Felicity took it to the till and the young lady behind the counter wished us many hoursmof delight with it.

Felicity jokingly said, "You can show me how to use it if you like!" To our amazement, she agreed and so we gave her our hotel room and number and she said she'd be there at 7.

At the hotel Felicity put on her basque and stockings and waited with growing excitement. At exactly 7.30 there was a knock on the door. Felicity opened it and there was the girl from the shop.

She was wearing a long black coat, white stockings, black leather boots, black bra and black lacy knickers. I got a the biggest boner the moment I saw her.

She introduced herself as Jo and walked straight to Felicity. Smiling, she gave her a small peck on the cheek as she removed her coat.

They picked up the massive dong and started to fondle it and each other. I watched with my rockhard cock in my hand.

As they got more excited they started ripping each other's clothes of. Felicity lay on the bed and Jo proceeded to lick her pussy lips.

This was a first for Felicity. We had talked about it and fantasised for a long time, but now it was finally happening.

Felicity was wriggling on the bed as Jo entered her with the big dong. She screamed with pleasure as Jo pushed it in further and then inserted the other end inside herself.

Back and forth they went as they fucked each other.

They changed places several times and fucked in loads of different positions.

They each had orgasm after orgasm. Then they got into a 69 position and licked each other out until they came again all over each others faces over and over again.

Jo then got up and kissed me so I could taste Felicity's cum. With that she thanked us, pulled on her coat and walked out of the room.

As soon as the door was closed I jumped onto the bed and had the most incredible sex into the early hours with Felicity.

TRUE CONFESSIONS

SEXY SPENDING SPRAY

"MY PRICK TOUCHED MY FINGERS IN HER ARSE THROUGH HER FLESHY DIVIDING WALL"

My girlfriend Jess was fantastic while I was training for my job, so when I got my first pay packet I fulfilled a fantasy – passing her a wad of cash and telling her to go out shopping and buy herself something nice! It was just a bit of fun, but she still had her spending spree.

She came back with a pair of sexy boots – calf-high leather with high heels. Very sexy, especially when naked!

Then she said she'd bought a little something else with the change: four red silk scarves that couldn't have cost more than a quid a pop.

"Why you giving me these?" I said, taking them out of the paper bag. She just sighed then lay back on the bed, arms and legs stretched out to the corners.

I got the hint, but first I made her roll over on her front – if she wanted me to be the boss we were doing this my way.

First I bound her wrists, tight enough but not too tight, then moved to her ankles, splaying them even wider than she had them. She's got a thick, dark bush kept neat and trimmed, and it framed her juicy pink pussy. But I still reckon one of her best features is her bum, and it looked so peachy with her in that position.

I decided to tease her, so that when we did fuck she'd be all the more desperate for my cock.

visit www.paulraymond.xxx

I stretched out on top of her, reaching under to give her tits a fondle. My cock was already stiff, but I wasn't ready to use it on her yet – instead I just put it along the furrow of her arse cheeks, so my balls were resting against her labia.

I was literally all over her, nuzzling her hair and nibbling her neck, blowing warm and cool air into her ears, which has the same effect on her as tickling does on most people. She was wriggling underneath me, but my cock wasn't going inside her until I was ready.

As I got more and more turned-on, I felt the tip of it get moist – I knelt up and parted her cheeks wide with my palms, then let my pre-cum drip all over her puckered pink arsehole.

Then I asked her if she would really let me do whatever I liked. She said yes, and I told her I was going to fuck her up the arse.

I felt her body tense up. Although I knew she liked the idea – when we talked dirty to each other in bed, she sometimes told me her fantasies about taking a cock up the bum – whenever I suggested taking it further, she'd always wriggle out of it, telling me to just fuck her.

I got the tube of lubricant Jess uses to help her take her biggest dildos, and squeezed a massive, cold blob of it right over her arsehole. I went around the front of the bed so she could see me slathering more all over my cock – right in her face – then I went back behind her and gave her one last chance to back out. She didn't so I told her to brace herself.

I slid my prick inside her cunt and eased a finger up her bum. I fucked her for a while like this, pumping my prick and finger in and out of her holes so they slid with or against each other through the fleshy dividing wall.

That wasn't enough for her, though. She said she wanted to feel my cock up her bum. I took it slow – I knew she was groaning and gritting her teeth as I gently stretched her open, feeding my helmet past her tight hole, but she was well enough turned on and lubed to take me, and I just writhed and ground on top of her, buried in deep and reaching under to play with her nipples, until I felt her muscles tighten, and she came with a big sigh.

I fucked her for ages and my cum felt like it was building up forever, before, finally, I emptied my balls deep in her arse for the very first time…

JUST ONE FOR THE LADIES

I've got a part-time job as a barmaid and it's a great place to pull, especially if you're bisexual like me.

The difference between "bi-curious" and "lezzie" can sometimes be as small as one double vodka to calm the nerves!

Let's just say the drinks were on the house for Lisa soon after we met. She was a married regular but whenever she came in without her husband, she'd stand propping up the bar and chatting.

One quiet night, after a couple of girlie cocktails I'd mixed for the fun of it, she spun a bottle on the bar then asked me: "Truth – have you ever had sex with another woman?"

"That blatant, am I?" I asked, and she just nodded.

At closing time she hung around and asked did I want to share her cab.

"As long as we're going back to yours," I said.

When we got to Lisa's place we just melted into a kiss in the middle of her lounge. I parted my lips and felt her tongue slip inside. That first snog was slow and gentle but as I felt the hot juices well up in my pussy, I started kissing her more frantically, nuzzling her neck and nibbling her ears, which made her tremble with pleasure.

"I finally came as she kissed me, her face shining"

She started tearing at her clothing, her hands shaking, and as she unhooked her bra I pulled her tits free and started to suckle on her nipples.

She got me to lie down on the settee, hooking her fingers into my knickers and peeling them off my moist cunt. Then she parted my thighs and buried her face between them, flicking her tongue over my excited, swollen labia.

She seemed a little bit nervous but that didn't matter – I was so fucking horny there was no such thing as a wrong move.

She skimmed her tongue along my juicy slit, flicking it from side to side.

Then she focused on my clit, lapping at it then sucking it into her mouth, mumbling her lips against it.

As she went down on me I was running my hands all over my naked body, teasing myself even closer to orgasm, but it was Lisa who was really getting me there. I finally came, my whole body shuddering, and I got a tiny "aftershock" when Lisa moved up to give me a kiss, her face shining with my wetness.

We decided to go upstairs and I asked her if she had any sex toys.

I picked out a foot-long hand-dildo, made from black rubber but shaped like a real cock.

I got her to crouch in the doggy position, gave her a couple of licks, then sank the dildo deep inside her. The harder and faster I pumped it, the more she slammed back. She begged me not to stop. "Just fuck me…" she groaned, strumming frantically on her clit with her fingers, then she slumped forward, her limbs twitching as her orgasm rocked through her entire body.

I haven't seen Lisa since our night of sex and I hope she doesn't see it as a one-off.

Lindy, London

RISKY BUSINESS

When II've always liked a bit of risky business – screwing around, fucking in public, that sort of thing One stud I had recently was so good I thought I'd tell you about what we got up to just before we split up.

Ben – not his real name – was a financial adviser, so one day I rang his secretary, giving a fake name and asking could I come into the office to discuss becoming a client. His face when I turned up was just fucking priceless.

I got a dirty look off the secretary – result! Ben played it cool and showed me into his private office, shutting the door behind us. I sat down in his big leather chair and put my feet up on his desk, unbuttoning my jacket to reveal just a tarty red bra underneath it – so skimpy my tits were already half-spilling out of it. My skirt was short and tight, and when I crossed my legs it rode up. Not far enough to expose my pussy, which was knickerless and shaved, but I soon sorted that by tugging the hem up by hand!

Ben bent forward to kiss me, and pushed the chair back against the wall. When we broke apart I stood up rubbing my bare cunt up against his legs. I could feel my wetness soaking into his trousers – so could he, probably.

Next, I got to fulfil a fantasy – sweeping all the papers and stuff off his desk, clearing it so he could screw me on it, just like you'd see in a movie! I let him position me how he wanted, laying me back so my arse was on the edge of the desk, my knees bent right up with my heels touching my cheeks. This raised the tension inside my pussy.

He undid his trousers, and I reached for his cock – already hard and moist at the end. My clit began to tingle and I was so turned on he didn't need to bother with foreplay – he just shoved it hard up my cunt and started to thrust.

He was gritting his teeth as he slid me around on top of his desk.

Ben's always been a bit of a stop-start fucker. Rather than pace himself he'll give it to me full-on, then make out he's changing position for my benefit and not because he needs to get control of himself again. Not that it bothers me – I'll get three fingers up my snatch, keeping myself on the boil until he's ready to use his cock again.

This time, he pulled out of me, moved me round and bent me over his chair, my hands on the arms. He used his hands to pull my arsecheeks wide, and bumped his helmet up against my slit, getting me all excited. Then he just banged it into me again, so hard and sudden it almost knocked the breath out of me. He was shagging into my pussy, squeezing my arse cheeks really tight together around his shaft.

My tits finally fell out of my bra and slapped up together as he thrust in.

Ben gets off on talking dirty, and as he fucked in deeper, grinding around, he told me I had the "tightest fucking cunt he'd ever stuck his prick in".

He said it quietly and we were shut away from his colleagues, but I still wondered if anyone could hear us.

That thought set me off cumming, and not long after, Ben shot his load into my tight, sopping snatch. He stayed in me for a few seconds, stringing out the feel of his prick throbbing against my inner walls.

I gave him one final jolt, bending over to pick up the stuff I'd swept off his desk, giving him a really good view of my bare bum and wellfucked cunt.

Diana, Hove.

"I love spunk," Tiffany told us. "But it's so hard to clean it out of my hair and when it dries out on my clothes!" she moans. "I'm pretty abandoned in the bedroom and that means lots of mess. I love having bukkake parties taking five or six creamy loads all over my face but I'm always stuck with cleaning the sheets. At least I can sit on the washing machine while it's on spin!"

THE 7 YEAR ITCH

One of our friends had split with his wife and my husband and I planned to cheer him up with drinks one night between Christmas and New Year. I hadn't had a threesome for seven years and it was playing on both our minds!

Sean arrived as planned, we had a few drinks and the evening was going well. Sean was saying that everything was fine now after the split but said the only thing he was missing was the sex.

I thought that was my cue, and before I knew it I had blurted out: "We could all have a bit of fun, and I could maybe let you fuck me!"

Sean's chin just about hit the deck, and I think Andy was surprised that I was so upfront.

I think Sean thought we were joking until I went up to him and straddled him.

He looked at me then across to Andy as if asking: "Is this for real or are you taking the piss?" Andy looked at me, his loving wife, and told Sean: "Merry Christmas and I hope next year is better for you!"

I started to unbutton Sean's shirt and he started to run his hands up and down my back.

I slipped my vest top off to reveal my little tits and hard nipples. "See, I am not joking now, am I, now suck my nipples." Sean leaned forward and at last a bit of action. I started to grind my shaved mound into Sean's lap and I could feel the tip of his hard cock poking through his jeans.

Sean looked back across at Andy with a huge smile on his face and Andy told him that he could whatever he wanted to me. I looked at Sean and said, "Yes, anything you want!"

I then sat up on the dining room table facing Sean and opened my legs for his first view of my pussy. "Go on, lick me," I said. Sean did not need any more reassurance that I was only playing now, I was very wet and needed my first threesome in seven years desperately.

Andy started playing with my nipples while I felt Sean slip a couple of fingers in my pussy and he started to work on my swollen clit.

Next, I slid a dildo up my pussy and put on a show for the two boys. I looked up and both men were wanking over my body and that sent me over the edge for my first orgasm. I came all over the vibrator and breathlessly asked the men who wanted to take me first and fill me with cum.

Andy started to fuck me. At the same time Sean offered his cock to my mouth to which I gave the best blow job he had had for a while.

Andy knows how to fuck me and hit the spot and I told him that I was cumming again. I let go of Sean's cock and grabbed my husband and he shot his spunk in me as I wrapped my legs round him and I came again.

Andy withdrew his cock from me as I looked over at Sean. I asked him how he would like it. He asked if I could go on top. So I straddled Sean with a cum filled pussy.

I played with the tip of his cock with the entrance to my pussy, just to tease him that little bit further. "Do you want to fuck me?" I asked. I didn't wait for an answer and slipped all the way down his cock and my second one for the night.

I remember thinking, who is the lucky one here? Sean as he is ball deep inside me, Andy as he gets to watch his loving wife fuck someone else, or little old me having the full attention and being spoiled for the night?

Sean and I got up a good pace and his thighs were slapping against my arse cheeks as we went for it. I looked up at Andy and he was giving me a huge smile, and I thought I must be doing good.

I fucked Sean hard until the last second when I took his cock out of me and wanked it fast till he shot masses of hot thick spunk over my pussy.

Sean left after another drink, but sent a text to Andy the following morning to thank the two of us for putting a smile back on his face again.

Private Driver

Talking and walking through the corridors of power really can be a bit of a turn on I imagine and it looks like political reporter Sienna Day is starting to feel the heat when a scandal comes her way. But to begin with this anal loving presenter has one man on her mind and her boss is about to get the delights of Miss Day who's tight pussy he can't resist. But there are two debuts to Private in TV Reporter, as Blue Angel gets smashed by Kai Taylor, ending up with a sticky facial, and Loren Minardi jumps in the deep end with DP and an anal blasting threesome. Now that's what we call news!
